

Share your experiences, successes, and challenges with asthma and/or allergies

Help design & join *fun* and innovative *online* support programs for children, youth, and parents facing asthma and/or allergies.

Interested in volunteering as a peer mentor? We are also looking for youth ages 17-20 who are interested in gaining leadership and mentoring skills.

Get support from other children, youth, health care professionals and parents.

For more information or to participate, please contact us or visit our website:
